

Emergency Response to Hazardous Material Incidents

ENVS 312 (CRN 24793) or SOIL 500 (CRN 27939)

Earn your HAZWOPER 40-hour OSHA certificate* for your resume in four days and get two credits for spring; FREE annual Refresher at NMSU every January

8 am to 5 pm, Friday and Saturday, January 29, 30 and Feb 5, 6, 2021

HAZWOPER 40-hour certificate is required for workers exposed to or potentially exposed to hazardous substances in clean-up operations, emergency response operations, and storage, disposal, or treatment of hazardous substances or uncontrolled hazardous waste sites. This course covers topics included in 29 CFR 1910.120. We will meet virtually as well as in person.
